DECISION

ON PETITION UNDER

37 CFR 1.137(b)

Applicants' Petition Under 37 C.F.R. 1.137(b) filed in the above-captioned application on 12 July 2006 is **GRANTED**.

Applicant indicates that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

Applicant has supplied a declaration that does not comply with 37 CFR 1.497(a)-(b). The declaration appears to have been pieced together from many separately executed copies of the declaration. While it is acceptable for inventors to execute separate copies of the oath or declaration, the complete copy of the oath or declaration, as executed by the inventor, must be submitted. An oath or declaration in compliance with 37 CFR 1.497(a)-(b) must be submitted. The fee for late furnishing of the search fee, examination fee or oath or declaration has been paid.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including the mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b) is required.
